

Recommendation Letter

To whom it may concern,

This is to recommend Wang Qianyi as a member of your esteemed program. I have acquainted with Wang Qianyi since Wang Qianyi entered our project as an associate. As Wang Qianyi is a young staff with strong initiative and dedication, it would be a great choice if you chose Wang Qianyi to be a member of your project.

As an assistant, Wang Qianyi accomplished most of assignments excellently. Wang Qianyi is a tireless co-worker and has demonstrated great sensitivity to organizational needs, as well as creativity in solving problems. Wang Qianyi is perceptive, emphatic, and committed to every task. I have never encountered a more capable or hard-working associate. With this kind of attitude and passion, Wang Qianyi will serve as a valuable member at any team.

Moreover, Wang Qianyi has strong logical thinking ability. Wang Qianyi can explore, find and solve problems independently. Wang Qianyi not only completed assignments perfectly, but also was willing to help other colleagues and always came up with constructive suggestions to the team development. Many co-workers reckoned that Wang Qianyi was a dedicated member of the team and has donated countless hours to our project.

From what is stated above, I would like to restate my strong recommendation for Wang Qianyi. If you have any questions regarding Wang Qianyi's ability or this recommendation, please do not hesitate to contact me.

Sincerely,

Diana Zhang
